

Transmission of safety data sheets pursuant to Article 31 REACH Ordinance

Dear UNILUX partner,

as a UNILUX retail partner, you can purchase products from us such as cleaners, glues, paints, etc. from that are regulated under the REACH Ordinance (European Chemicals Regulation). These products are only provided for commercial use.

When delivering these products, under Article 31 of the REACH Ordinance we are obligated to transmit a safety data sheet to you pursuant to Regulation (EC) No. 1907/2006.

To allow you to avoid unnecessary amounts of paper, we would like to provide this information upon request.

Before the first delivery of the products in question, we will inform you in the order confirmation that a Safety data sheet is available and available to you upon request.

If you consent to this form of information transmission, then please send us short written letter of consent at the email below.
